  - b. When Cuyahoga County is at a “Medium” level, staff and public may choose, but are not required, to wear a mask if they are at a higher risk for severe illness or caring for someone who is at a higher risk for severe illness.
  - c. When Cuyahoga County is at a “Low” level, staff and public may choose, but are not required, to wear a mask based on personal preference.
  - d. Any person who has COVID-19 symptoms or has been exposed to someone with COVID-19 or who has tested positive for COVID-19 must wear a mask for 10 days following the date of exposure or positive COVID-19 test.

3. At any time when a mask is worn it must be well-fitting and cover both the nose and mouth.
